

MIAMI VALLEY RISK MANAGEMENT ASSOCIATION PRESENTS:

“Recognize & Respond: Police Interactions with Individuals with Autism Spectrum Disorder”

The “Recognize & Respond” training developed by Isaac Wiles and its training partners serves as a solution to the complex issues posed by police interactions with individuals with ASD.

It also neutralizes 42 U.S.C. 1983 claims—and the associated attorney fee awards—by providing police agencies the tools they need to proactively implement tactics and procedures to avoid volatile interactions to begin with.
